

OFFICE OF THE DEAN

LIST OF MSC STUDENTS TO BE INVITED FOR A WRITEN EXAMINATION

1. INTRODUCTION

A call for applicants to a Master scholarship offered by fRwanda Tropical Elevation Experiment research group (a collaborative research funded by the University of Gothenburg and University of Rwanda) was advertised on the UR website on 11th June 2025 with a deadline for application fixed on 27th June 2025. The call indicated specifically the application requirements, application documents and specific eligibility criteria, which were used to process the preselection. Details of assessment were sent to applicant's emails.
