Shortlisted Candidates for Students' Mobility to Finland under the "Breaking Education Barriers Inclusion, Rehabilitation and Technology Project (BERT)"

Among activities of the BERT project is the students' and staff mobility, for capacity building through sharing experiences and benchmarks from different institutions and countries in the BERT project partnership. One of the mobility will be South to North; that is students and staff from East Africa to Europe. Thus, the students from Rwanda will visit Finland for a period of two weeks in April 2026. A call for application for the students interested in the mobility was made. About 41 students applied. The list below indicates students who applied and those who have been recommended for interviews to select finally 2 students who will go for mobility in Finland.
