# Step by step guide to accessing e-resources at UR

Accessing e-resources has been made easy through a single search interface known as LibHub. Please follow the steps below**:**
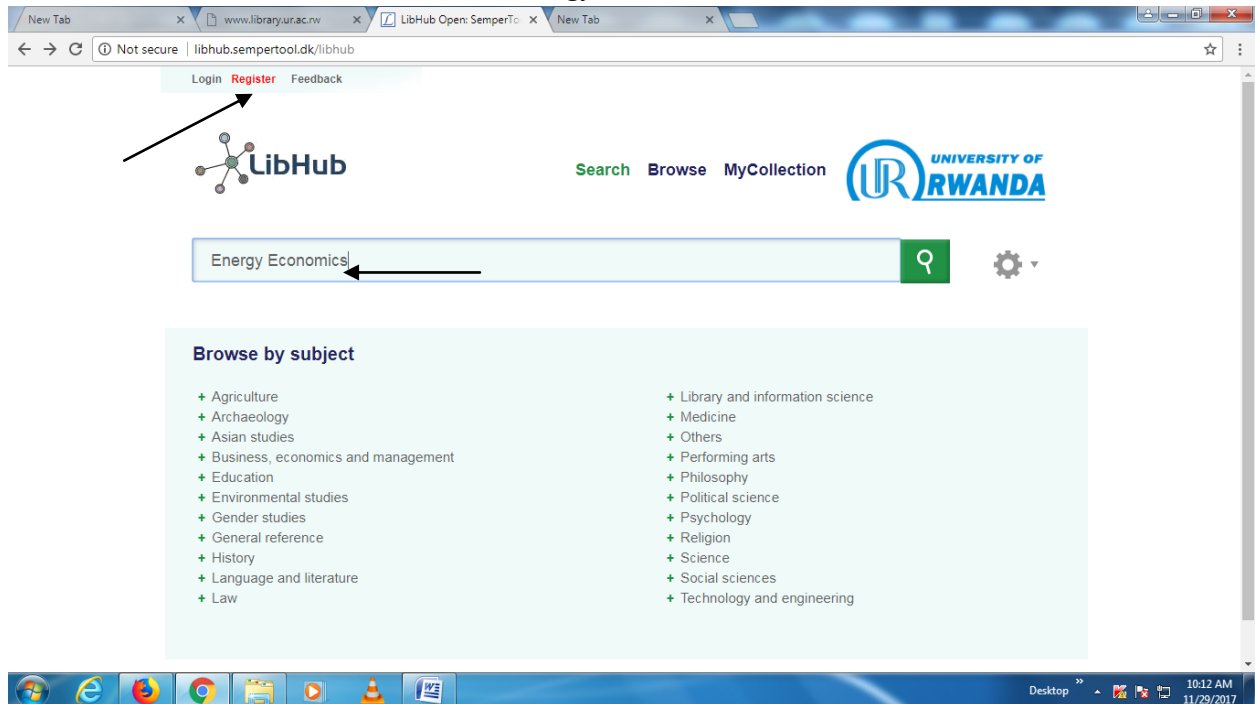

STEP 1: Type or paste the URL below in the browser
http://libhub.sempertool.dk/libhub

You will be presented with a screen that prompts you to enter search terms. Please see screen shot 1 below:

STEP2:   Enter the search terms in the search box. Please see screen shot 2 below: (For purposes of this demonstration the search term is *Energy economics*)

OR   Select the subject from the list (browse by subject) . Please see screen shot 3 below:

Step 3: Select the appropriate article from the results returned. Please see screen shot 4 below:

LibHub also offers you an option to create a personalized account.

For any further assistance contact Universitylibrarian@ur.ac.ur OR Call +250 789 31 41 64

Good luck with your research.

Dr. Robinah Kalemeera Namuleme

University Librarian
